

The image features a background of vertical blinds. On the left, a section of white blinds is visible, partially open, revealing a glimpse of a window. The rest of the image is filled with deep red blinds that have a subtle, wavy texture. A dark red, rounded rectangular banner is positioned horizontally across the middle of the image, containing the text 'VERTICAL BLINDS CATALOGUE' in white, uppercase, sans-serif font.

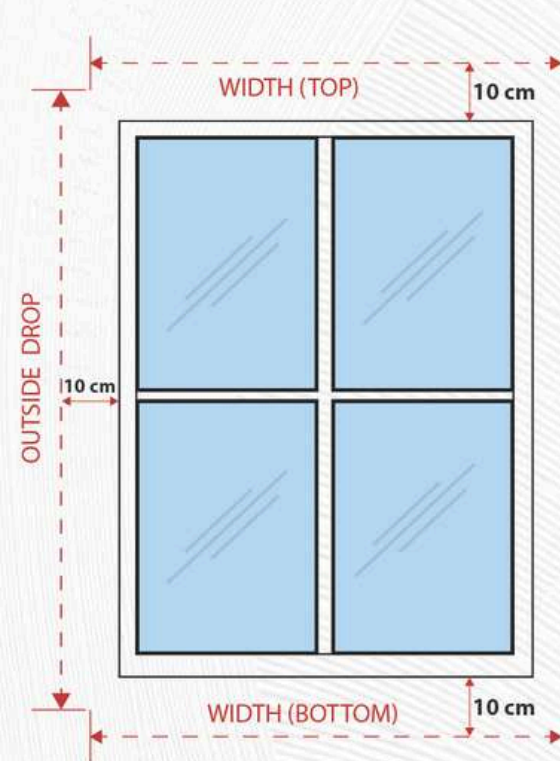

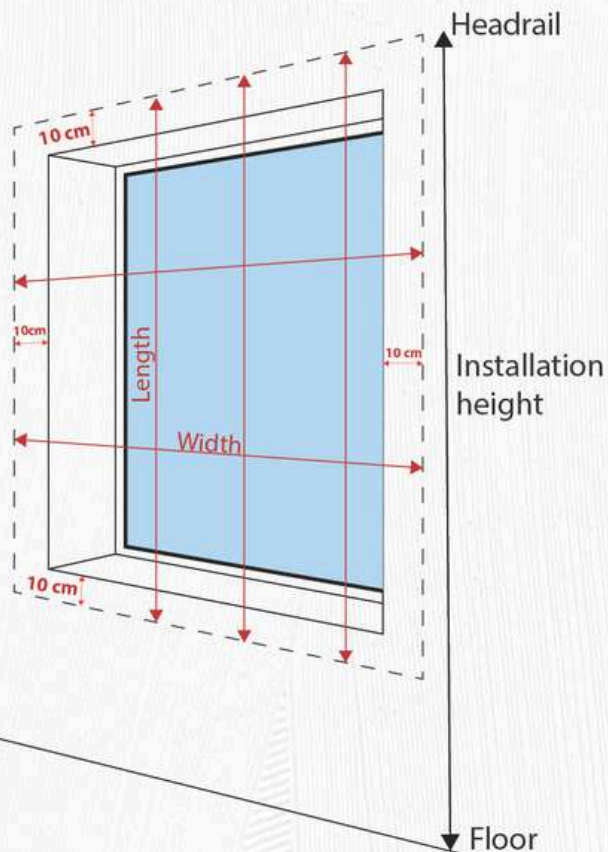

VERTICAL BLINDS CATALOGUE

BLINDS MEASUREMENT GUIDE

INSIDE MOUNT

OUTSIDE MOUNT

- Preferred unit of measurement is millimeters (mm)
- For blinds going inside the sill, give exact measurements to the mm, do not give an allowance
- When measuring the outside mount, make sure to add an allowance of 10 cm to each side

OFF WHITE

V9014-CREAM

LS2515

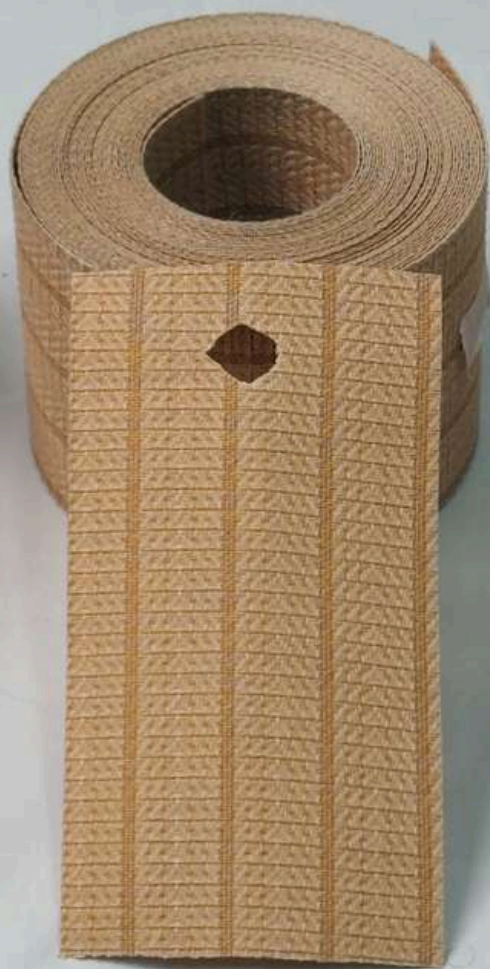

LS9816

A roll of light brown, woven fabric with a diamond pattern, partially unrolled. The fabric has a textured, woven appearance with a repeating diamond or lattice pattern. The roll is positioned diagonally, with the unrolled portion extending from the top left towards the bottom right. The background is a plain, light-colored surface.

T480-2

A roll of light-colored, woven fabric material is shown on a green artificial turf background. The roll is partially unrolled, with a strip of fabric extending from the top left towards the bottom center. The fabric has a distinct woven pattern. The roll itself is cylindrical and sits on the turf. The background is a dense, bright green artificial grass.

T480-4

V73-04

A roll of brown woven fabric tape is shown against a white background. The roll is partially unrolled, with a strip of the tape extending from the bottom left towards the center. The tape has a distinct woven texture and a light brown color. A white label with rounded corners is positioned in the bottom left corner, containing the text 'LS0305' in red.

V430-GREEN

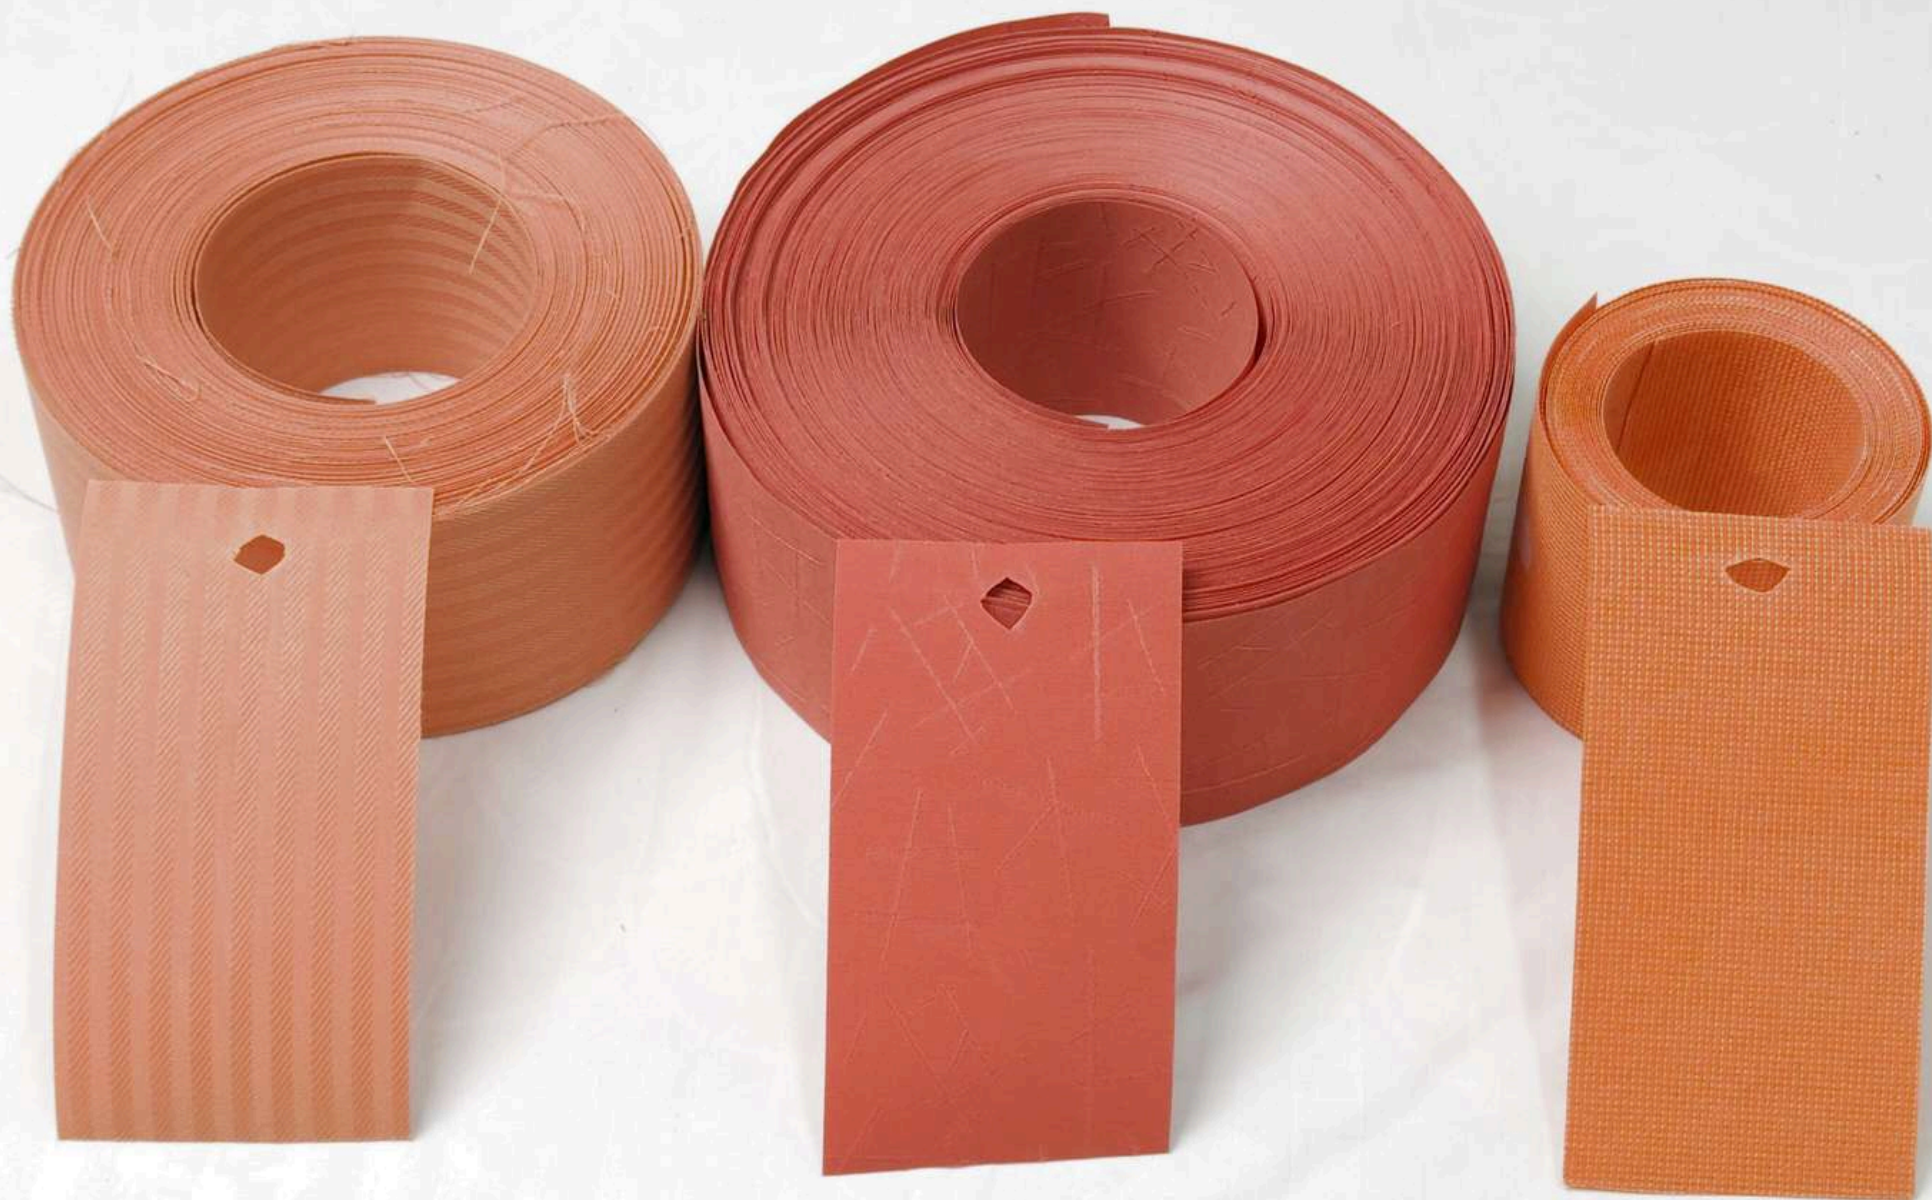

V9014-GREEN

A roll of bright green fabric with a woven herringbone pattern. The fabric is partially unrolled, showing the texture and color. The roll is positioned on a light gray surface.

HS07-5

C107-18

A large roll of orange fabric with a herringbone pattern. The fabric is tightly rolled, showing the texture and the repeating V-shaped pattern. A section of the fabric is unrolled and lies flat in the foreground, revealing the fine details of the weave. The background is a plain, light-colored surface.

V9014-MAROON

A large roll of maroon fabric with a herringbone pattern is shown on a green lawn. The fabric is unrolled, showing the texture and pattern. The roll is positioned diagonally across the frame.

V300-20
MAROON

V007-3
MAROON

A roll of red fabric with a woven texture, partially unrolled. The fabric is a deep red color and has a fine, regular weave pattern. The roll is positioned diagonally, with the unrolled portion extending from the bottom left towards the top right. The background is a plain, light-colored surface.

C107-26

V24-RED

A roll of red fabric is shown on a light-colored surface. A long, wide strip of the fabric is unrolled from the roll, extending diagonally across the frame. The fabric has a fine, woven texture. The roll is positioned in the upper right, and the strip extends towards the bottom left.

V300-20 RED

A roll of red fabric with a herringbone pattern. The fabric is unrolled from the top, showing the texture and the repeating V-shaped pattern. The background is a light, neutral color.

V73-BLUE

H0507-8

V24-BLUE

A large roll of blue fabric with a herringbone pattern, partially unrolled. The fabric is a vibrant blue color and has a distinct woven texture. The roll is positioned on a light-colored surface, and a portion of the fabric is unrolled and draped in the foreground, showing the characteristic zig-zag pattern of the herringbone weave. The lighting is even, highlighting the texture and color of the material.

V007-BLUE

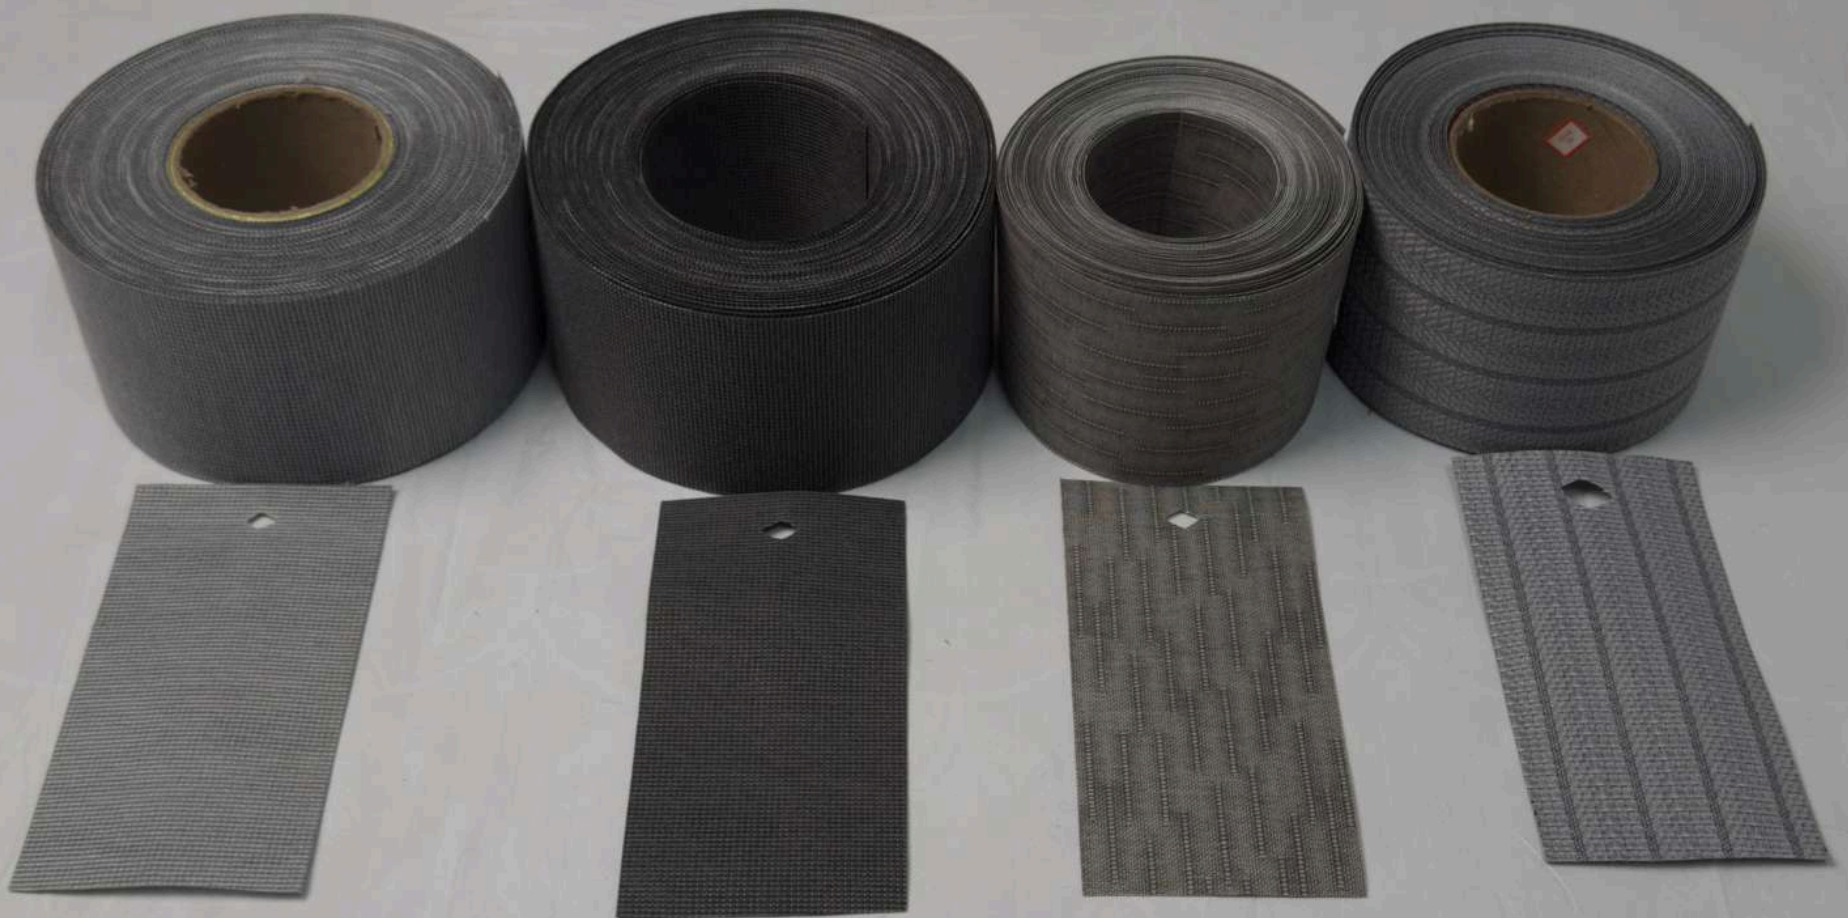

LS4-106

A roll of dark blue fabric with a ribbed texture, partially unrolled. The fabric is tightly packed in a roll, with a section unrolled and draped in the foreground. The background is a light-colored, textured surface.
